

## How to make spooky bat bookmarks

### What you will need

- Black origami paper
- Normal black paper
- White paper
- Scissors
- Glue stick
- Pencil
- Googly eye stickers

### Instructions

1. Fold the origami paper diagonally on both sides.
2. Fold into a triangle (with black side on the outside).
3. Fold the top of the triangle towards the centre of the bottom of the triangle and crease well.
4. Bring the bottom left corner in and fold towards the bottom centre of the triangle.
5. Do the same with the right corner.
6. Unfold both corners.
7. Bring the bottom left corner in and fold towards the top of the triangle.
8. Do the same with the right corner.
9. Tuck in the flaps of each corner into their pockets.
10. Stick, or draw, some googly eyes onto the bat bookmark.
11. Cut out two wings from song black craft paper, and two white fangs, and use a glue stick to stick these onto your bat.
12. You now have your very own bat corner bookmark!
