The Plant a Tree Dedication Area at Eddie's Wood

Start: Gidding's Wood Car Park, CV37 8BQ (what3words: ///sheds.mammal.pile)

- From the car park, cross the lane and enter Eddie's Wood – a beautiful woodland with abundant blossom in spring and vibrant colours in autumn. Please note that the entrances to Eddie's Wood and Low Furrow Wood are adjacent to one another beside the roadside. Eddie's Wood is accessed through the gate on the right, where you will see the woodland name sign.
- Once through the gate follow the footpath to the right (shown in red) through the trees until you reach the more open area. Carry on along the path towards the far-right corner where you will find a bridge.
- Cross over the bridge and through to the clearing where you will find a gate that leads into to the dedication area.
- You will be given an exact what3words location and OS grid reference for your tree after it has been planted.

Planting tomorrow's great native woodland
